

SCHUYLKILL COUNTY

Year One of HIVE

Community ideas & action.

HIVE is a response to the data, conversations, and ideas shared during the **SUW Meet ALICE** event in September 2023. The 2023 ALICE in PA report indicated that while 12% of Schuylkill Countians are living at or under the Federal Poverty Line, another 28% are **Asset Limited, Income Constrained Employed** (ALICE = **working & unable** to make ends meet).

40% of our county is extremely vulnerable and at the mercy of our community assistance programs and resources. We must work together. See the report and learn more about ALICE data unique to Pennsylvania at <https://www.uwp.org/alice/reports/> and specific to Schuylkill County at <https://www.uwp.org/wp-content/uploads/2024-All-County-Snapshots-ALICE-Report.pdf>.

☞ **NOT** another acronym!! ☞

In November 2023, community partners gathered to brainstorm a new initiative that will bring together all human service organizations to foster learning, ideas, and action.
