

With thanksgiving & H.O.P.E.

Thank You, to my Schuylkill County Community...

Dear Friends & Family,

As I prepare to retire after more than 33 years with the Schuylkill United Way, I find myself reflecting on this incredible journey — one filled with memories, friendships, challenges, and countless moments that have touched my heart forever.

When I first joined the United Way all those years ago, I could never have imagined how deeply this work — and this community — would shape my life. What began as a job quickly became a calling. From the very beginning, I was fortunate to learn from and work alongside some truly remarkable people. I'll always be grateful to Clare J. Houser Jr., who served as Executive Director before me and set such a strong example of leadership, compassion, and commitment to our mission. And I can't speak about my time here without mentioning Billie Payne and Naomi Ost my mentors and dear friends, whose guidance, encouragement, and faith in me helped shape not only my career but the person I've become.

Over the years, I've had the Privilege of seeing our community come together time and again, lifting one another up in times of need, celebrating successes big and small, and proving that when we have "H.O.P.E.," there's nothing we can't accomplish.

I'll never forget the excitement of campaign season, the laughter shared during community events, or the quiet moments of gratitude from those whose lives were touched by the programs we supported. I've watched children grow into adults who now volunteer and give back themselves. These memories will always stay with me.

Of course, none of this could have happened without all of you — My family, our donors, businesses, volunteers, board members, SUW staff and Partner Agencies who believed in and supported our mission. Your kindness, generosity, and dedication have inspired me every single day. You've shown me what true community looks like: neighbors helping neighbors, friends supporting friends.

Though I'm stepping away from my role at Schuylkill United Way, my heart will always remain here — with the people and places that have meant so much to me. I look forward to watching this organization continue to grow and thrive in the years ahead.

From the bottom of my heart, thank you for the trust you've placed in me, the memories we've shared, and the difference we've made together. Serving this community has been the honor of a lifetime.

With truth, love and kindness,

A handwritten signature in black ink that reads "Kelly K. Mather".

Thank
You,
KELLY!

Congratulations Mike Joyce!

Mike Joyce was named incoming executive director of Schuylkill United Way at our annual Appreciation Breakfast. Prior to joining the staff of Schuylkill United Way in 2024, Joyce was a board member of SUW for five years and a longtime Pacesetter and volunteer. His career was in the newspaper industry, where he spent five years as Publisher of the Republican Herald and 20 years prior to that as the Advertising Director. He is a current member and two-time President of the Rotary Club of Pottsville, and has served on the boards of the Schuylkill Chamber of Commerce, SEDCO, and the Pottsville Business Association as well as being part of the Pottsville Bicentennial Committee. He lives in Pottsville with his wife Janet.

They have three children and 8 grandchildren!

After being introduced at the Appreciation Breakfast, Joyce ended his speech by saying: *"On a personal note, I am very, very thankful to be where I am right now. With all of your help, we will continue this journey and support these agencies and our County."*

A Job Well Done

THANK YOU JOHN GLEISNER!

Mr. John Gleisner served as President of the SUW Board of Directors for 2024 and 2025.

He led with steadfast determination and a willingness to help in any and all ways possible. We truly appreciate him taking on this role amidst his professional and personal responsibilities.

Thank you, John, and we look forward to your continued guidance on the board!

Dear Friends & SUW Supporters,

As I take a minute to reflect back on my time as President of the SUW board as my term comes to a close, two things come to mind. The first is how fast the time has gone. It seems like only yesterday when I stepped into this role, hoping to be able to measure up to the great leaders that helped guide the SUW forward in years past, always wondering what can I do to help make a difference? How can I help continue the great work that has been done by those that came before me? I hope I have measured up.

The second thing that comes to mind is how thankful I am. I want to say thank you to my fellow board members who selflessly donate their time, efforts and expertise in support of our mission of Helping Other People Everyday. They are a great group of volunteers that are dedicated to putting others first. Thank you to our partner agencies and the tireless work they do to serve individuals and families in our community. What they do is driven by a commitment and passion to serve others, and to help care for the people that often need help the most. They are truly difference makers. Thank you to the thousands of Schuylkill County residents that continue to support our efforts not only through their generous donations and support of our annual campaign, but by getting involved and donating time and energy to events like the Day of Caring, Stuff the Bus and the High School Football challenge. Although not a Schuylkill county native, I have called this my home for over 20 years now, and one thing I have seen that has never changed is the willingness of people to give. Often it is those that have the least that give the most, and they serve as a beacon of light to show the good in the world.

Finally, I am thankful to the staff of the SUW. They are a small but mighty crew, dedicated, driven, passionate, caring and committed in all they do. Anyone that has spent any time with any of the office staff knows and understands all that they do each and everyday. As this year closes, so does an important chapter for the Schuylkill United Way. Kelly Malone is stepping aside as Executive Director after over 3 decades of service to our community. Her love of community and passion for the United Way and its mission are evident to all who know her, and her impacts will be felt long after her departure. I wish her and her family joy and happiness in her retirement. Kelly, you leave the SUW in very capable hands and I know Mike will continue the great work you have done as executive director.

Again, thank you all for this opportunity to serve, and I hope everyone has a safe and happy holiday season!

A final meeting...

On Monday, December 15, we held our final Board of Director's meeting of the year, and the last of Kelly's career. As a special surprise, board members requested the Schuylkill County Commissioners provide a proclamation recognizing the 33 years Kelly has served at Schuylkill United Way.

It was a beautiful tribute and a fitting conclusion to an incredible career!

Thank you, Commissioners Larry Padura, Boots Hetherington, and Gary Hess for this honor and your support.
